

Appleton Area School District

School Counselors Recommendations Acknowledgement

Appleton Area School District School counselors write recommendations for students based on student/guardian request. School counselors put forth high efforts of integrity with an importance in providing a recommendation/reference that reflects the student.

By signing and dating this document you acknowledge and give permission for staff to provide subjective information that may be requested as part of the recommendation/reference process (i.e. assessment of character, discipline, academic performance, leadership potential, etc.).

Such recommendations may include but may not be limited to:

- Common Application
- Send Edu online college application
- Employer Reference Checks
- U.S. Military Candidate Reference Checks (e.g. phone calls from the military regarding former students applying to highly classified military jobs)
- Scholarship Applications [e.g. from companies that parents of our students are employed by such as Kimberly Clark (Bright Futures Scholarship), Illinois Tool Company, etc.]
- National Merit Scholarship Corporation Semifinalist Competition online recommendation
- National Honor Society recommendations
- Appleton Rotary Bright Futures Awards
- GPS Partners in Education applications
- Letters of recommendation for college applications, scholarship applications, employment
- Various college applications

We acknowledge and authorize school district staff to complete recommendations which may seek subjective information about the identified student. Our authorization is valid for one calendar year and will expire one year from the date below.
